## □ Mar 07 2020 – Deployment

### ❖ JIRA – 967 Supplier Owned Inventory (SOI) Dashboard.

- ❖ Suppliers will now be able to self extract the SOI Aging Details via the iSupplier Portal.
- ❖ Information will detail out the SOI Item Aging day by individual receipts, and with the corresponding PO Receipt details.
- ❖ Suppliers are expected to review the aging and touch base with their respective buyers as needed (As is process)
- ❖ MSI Buyers have access to the same information (not via iSupplier, but through their Buyer role in EBS)

## Navigation

MSI iSupplier Global Non-Invoicing User -> Home -> Product -> Consigned Inventory -> Consigned Inventory Aging -> Advance Search

The screenshot displays the MSI iSupplier user interface. On the left is a 'Navigator' sidebar with a 'Personalize' button and a tree view containing 'MSI iSupplier Global External Supply Chain Collaboration Planner', 'MSI iSupplier Global Non-Invoicing User' (highlighted with a red box), 'Home', 'Personal Worklist', 'Purchase Orders Mass Upload Form', and 'View Requests'. The main content area has a top navigation bar with 'Home', 'Orders', 'Shipments', 'Negotiations', 'Finance', 'Product' (highlighted with a red box), and 'Admin'. Below this is a sub-navigation bar with 'Supplier Items', 'Order Modifiers', 'Maintain Capacity', 'Quality', and 'Consigned Inventory' (highlighted with a red box). The main heading is 'Consigned Inventory Aging' with a sub-heading 'Consigned Inventory Aging' and a 'Views' section. A 'View' dropdown is set to 'Past Due' with 'Go' and 'Clear' buttons. On the right, an 'Advanced Search' button is visible. Below the main content, a detailed view of the 'Advanced Search' form is shown, with 'Examine' set to 'All Consigned Material' and 'Organization' set to 'US2 - Elgin DC' (both highlighted with a red box). The form includes fields for 'Item', 'Supplier Item', and 'Consume Before', and buttons for 'Go', 'Clear', 'Add Another', 'Organization', and 'Add'.

-> Use Filters: Examine -> All Consigned Material

-> Add Filter: Organization. (Select US1 - Elgin Mfg or US2 - Elgin DC)
